

# Online Assessment For E-Learning

---

## 1.1 Abstract

Online Assessment System forms the lifeline of the Educational Institutes to the functioning of the Examination.

It is very essential for an Institute to handle the Examinations and their results. It is very useful for an Institute to test its students continuously for their development. This system is helpful for conducting (M.C) Multiple Choice Examinations which can be conducted regularly as well as for surprise tests and provides immediate results saving the precious time of faculties to check the papers and prepare mark sheets.

The Online Assessment System will include various Courses (IT, Commerce, Science... etc.) and subjects for conducting examinations. This system helps in conducting examinations quickly and can thus help in saving time and the operations will be carried out efficiently. With the effective use, any Institute can apply the Online Assessment System for conducting quick examinations and getting better results in less time.
