Dear my Prof.Dr. Aly Shams El Deen
President of Benha University

An Please accept my best wishes.

I hope that my e-mail finds you well.

Kindly be informed that Leeds **Metropolitan University** are looking for enthusiastic, innovative researchers working in the research area of **"men's health"**, who are interested in applying to the Marie Curie Individual Fellowships schemes with Leeds Metropolitan University as the host organisation. Interested researchers are asked to submit a **500 word proposal to Leeds Metropolitan University by 27th June 2012**. The best **two applications will receive EUR 500** towards the cost of developing a Marie Curie Fellowship proposal with Leeds Metropolitan University. Please see the attached document for more information.

If you know of any relevant researchers, please could you forward this email to them.

Kind Regards

Alaa El Sayed Abdel_ghafar

Counselor of Academic Development and Quality, **King Khalid University,**
Kingdom of Saudi Arabia

Professor of Theriogenology , Department of Theriogenology

Faculty of Veterinary Medicine, Benha University, Egypt
