Dear Editor,

We would like to submit our manuscript entitled “Bacteriological profile and antimicrobial resistance in ascitic fluid of patients with community acquired and nosocomial spontaneous bacterial peritonitis” for publication in Benha Medical Journal.

Authors of this manuscript are:

1. Fatma Mohamed Abd-Elsalam a
2. Maha Zeinelabedin Omar a
3. Soheir Abd-Elrahman Abd-Elsamie b
4. Hoda Mohamed Rabie Gabal a

a Department of Hepatology, Gastroenterology and Infectious Diseases, Benha Faculty of Medicine, Benha University, Egypt
b Department of Clinical and Chemical Pathology, Benha Faculty of Medicine, Benha University, Egypt

With the submission of this manuscript, we confirm that

- All authors of this research paper have directly participated in the planning, execution, or analysis of this study;
- All authors of this paper have read and approved the final version submitted.
- The contents of this manuscript have not been copyrighted or published previously;
- The contents of this manuscript are not now under consideration for publication elsewhere;
- The contents of this manuscript will not be copyrighted, submitted, or published elsewhere, while acceptance by the Journal is under consideration;

We are thankful in advance for your time and attention to our original manuscript.

Submitted manuscript is an original article.

Yours sincerely,

Dr. Hoda Mohamed Rabie Gabal

Bacteriological Profile and Antimicrobial Resistance in Ascitic Fluid of Patients with Community Acquired and Nosocomial Spontaneous Bacterial Peritonitis.

(Original article)

Running title: Antimicrobial resistance in SBP

Key words: Spontaneous bacterial peritonitis; community acquired; nosocomial; antibiotic resistance

Total No. of pages: 15

Total No. of words of the abstract: 250

Total No. of words of the manuscript document: 3,508 (Exclude abstract, reference and tables)

Total No. of references: 68

Total No. of tables: 4

Total No. of figures: 2

The authors have no conflicts of interest to declare.
