Book your seat ASAP through this form <http://bit.ly/Benha-UK>

Registration is open from 06 to 18 August 2020

Zoom link will be sent after registration

We invite all Egyptian bright minds who are looking for studying in the UK at predoctoral, doctoral and postdoctoral level. *Egyptian Academics in the UK* will discuss with you possible collaboration, supervision, and facilitation. Our aim is to create the scientific network.

We invite all academics and non-academics to this webinar. Candidates should apply for funding sources e.g. Newton-Mosharafa Fund, other scholarships or self-funded. This webinar will not provide/secure any source of funding.
