

# INDEX

| SUBJECT NAME                                | PAGE NO. |
|---------------------------------------------|----------|
| Acknowledgement                             |          |
| Abbreviations                               |          |
| Chapter 1: Introduction                     | 1        |
| Chapter 2: Anatomy                          | 4        |
| Chapter 3 : Historical review               | 27       |
| Chapter 4 : Incidence & Epidemiology        | 32       |
| Chapter 5 : Aetiology & mechanism of injury | 36       |
| Chapter 6 : Pathology                       | 53       |
| Chapter 7 : Classification                  | 64       |
| Chapter 8 : Clinical presentation           | 70       |
| Chapter 9 : Investigations                  | 89       |
| Chapter 10: Treatment                       | 111      |
| Micro-Neural reconstruction of BPI          | 129      |
| Chapter 11: Prognosis & Outcome             | 200      |
| summary                                     | 207      |
| References                                  | 210      |
| Arabic summary                              |          |
