

Acknowledgement

I am deeply thankful to **ALLAH**, by the grace of whom this work is completed.

I wish to express my sincere gratitude to my dear advisor **Prof. Dr. Mohamed Masoud**, Plasma and Nuclear Fusion Department, Atomic Energy Authority, for supervising, useful advises valuable guidance and illuminating discussion during the course of this work. I thanks him allot for his kindly education, his shared time and his wide knowledge in an effort to help me reach this point and reach the target from the work.

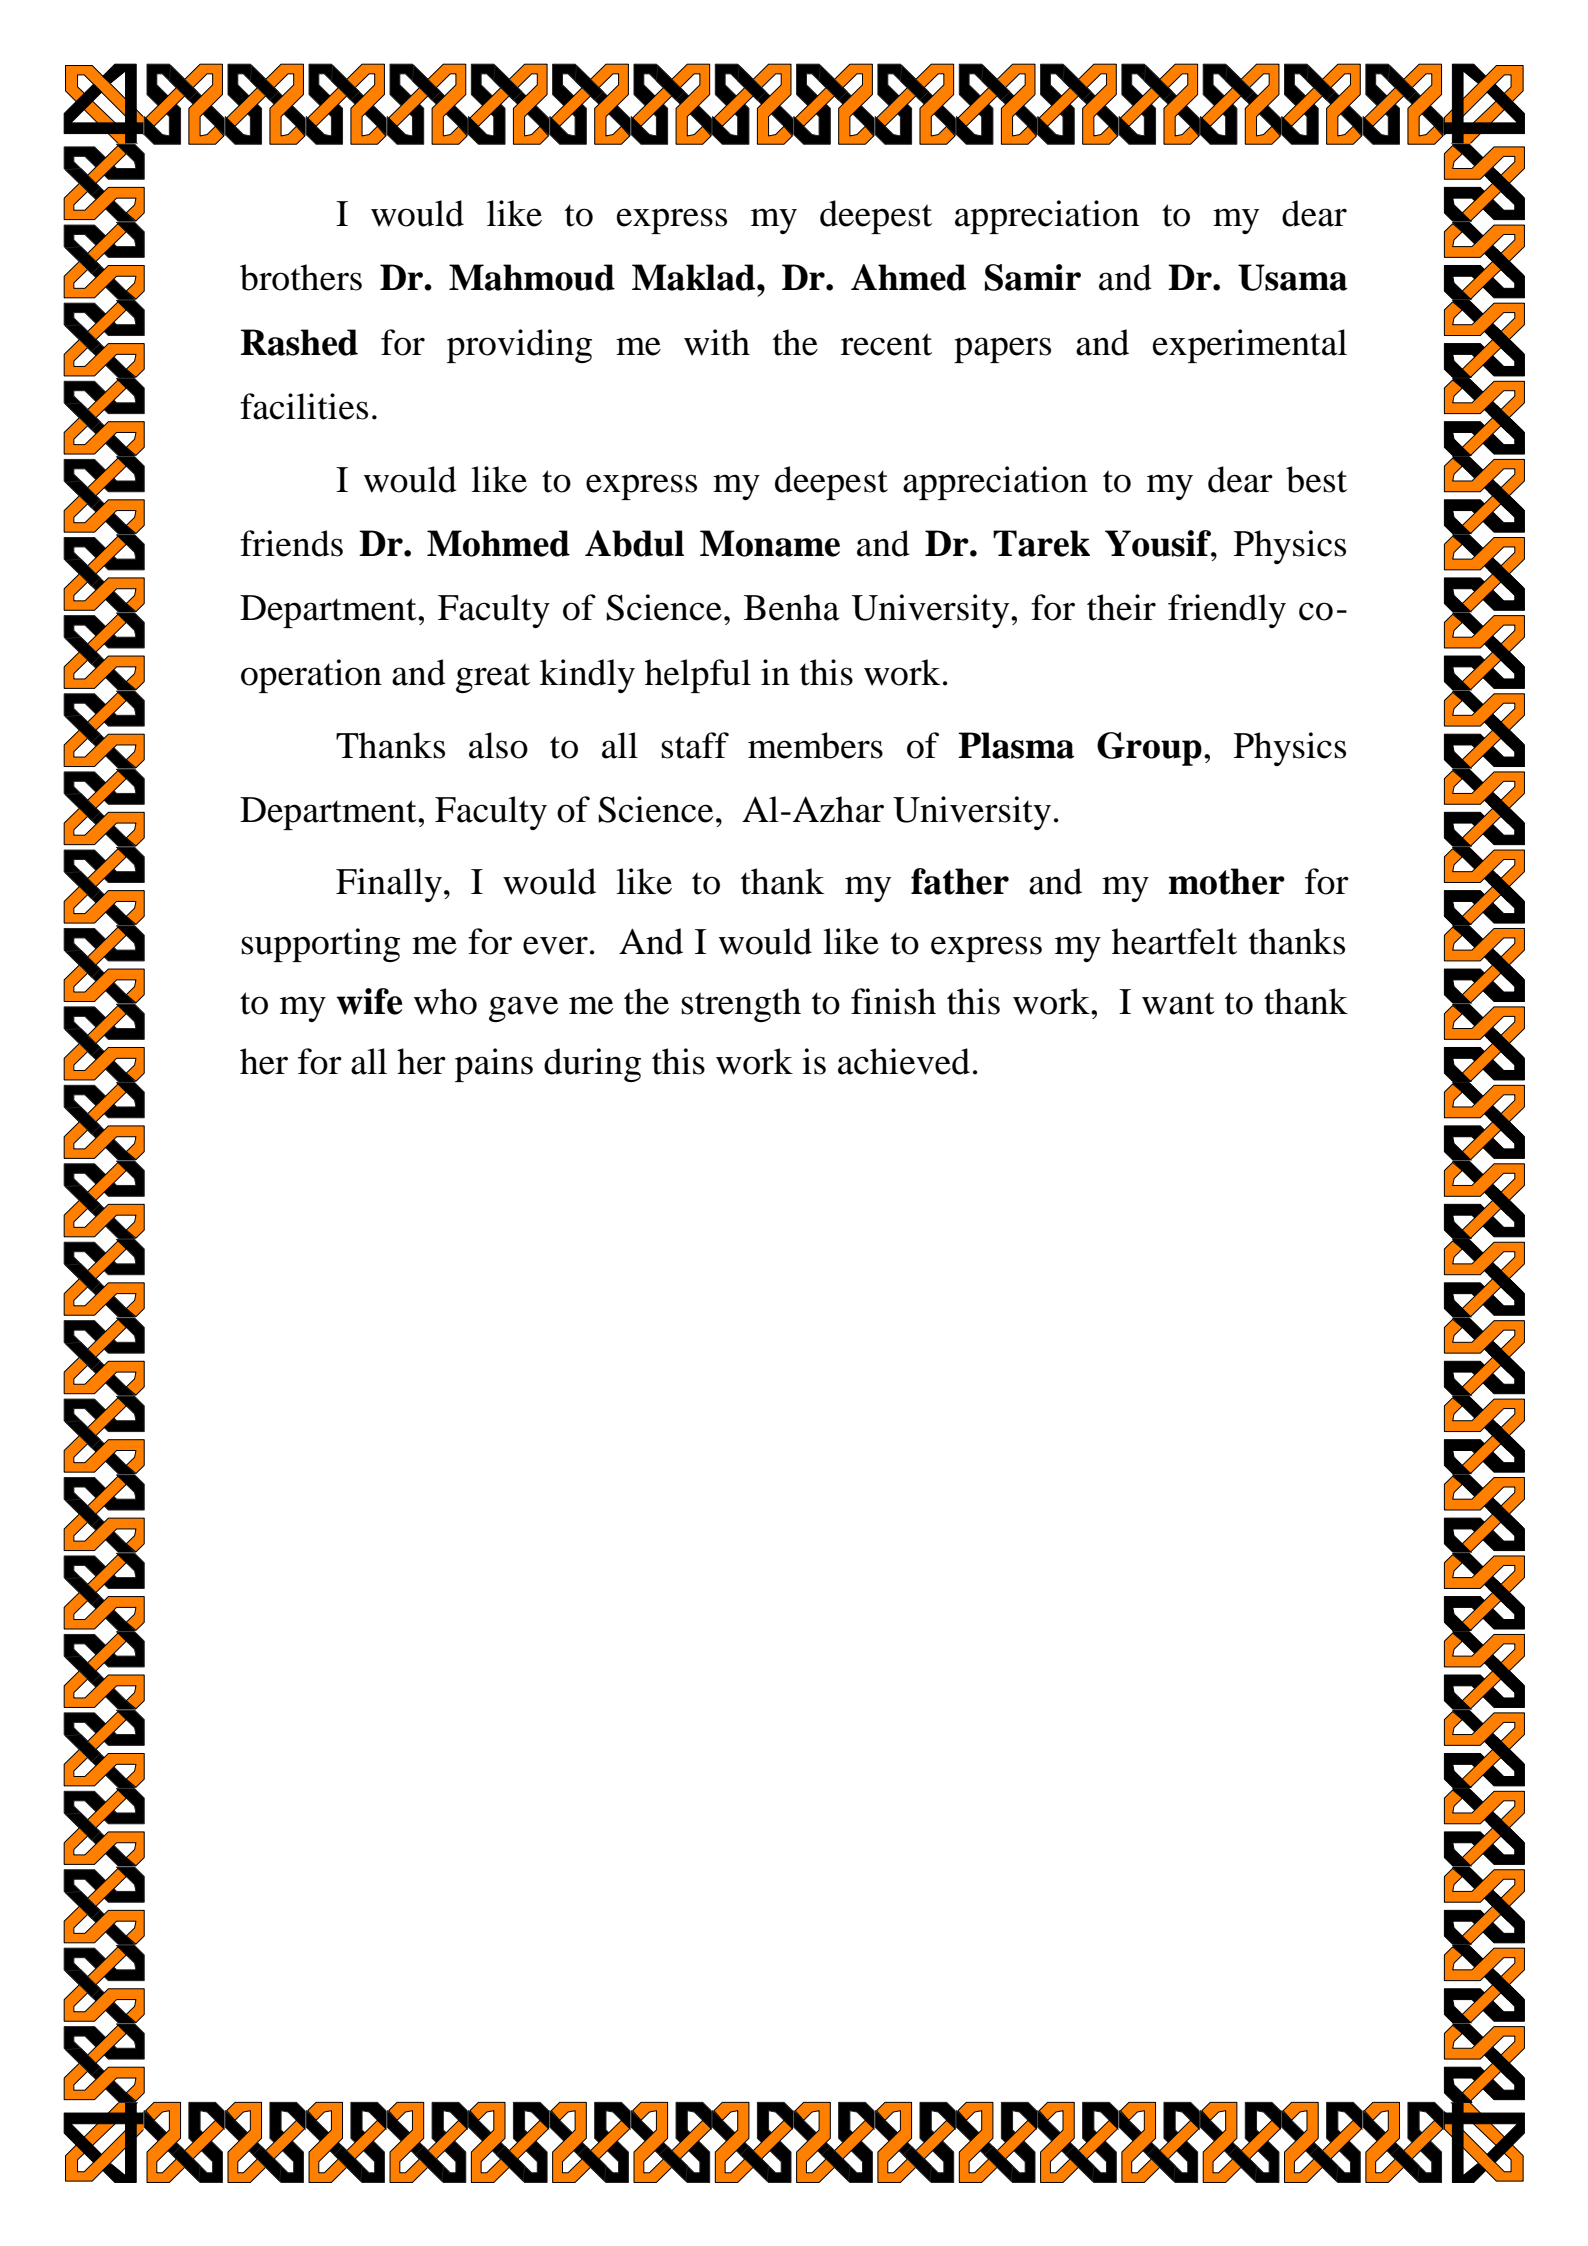

The author is indebted to **Prof. Dr. Mostafa El-Zaiki**, Physics Department, Faculty of Science, Benha University for continuous support and for encouragement interest.

The author would like to express his deep thanks to **Dr. Mohamed Ali**, Physics Department, Faculty of Science, Benha University, for his effort during this work. Grateful appreciation of thanks to him for supervising this work, for his illuminating discussion and for his helpful suggestions.

I would like to express my deepest appreciation to **Prof. Dr. Lotfy Ibrahim Abu-salem**, Head of the Physics Department, Faculty of Science, Benha University and to all staff members.

I wish to express my deep thanks to **Dr. Samy Khodary**, Chemistry Department, Faculty of Science, Benha University, for his great helpful in providing me with the books and scientific information about Polyesters.

I would like to thank **Prof. Dr. Samaha Hossain** and all the staff of Textile Department, National Institute for Standards, Giza, Egypt, for their co-operation to do the measurements on the textile samples.

I would like to express my deepest appreciation to my dear brothers **Dr. Mahmoud Maklad**, **Dr. Ahmed Samir** and **Dr. Usama Rashed** for providing me with the recent papers and experimental facilities.

I would like to express my deepest appreciation to my dear best friends **Dr. Mohamed Abdul Moname** and **Dr. Tarek Yousif**, Physics Department, Faculty of Science, Benha University, for their friendly co-operation and great kindly helpful in this work.

Thanks also to all staff members of **Plasma Group**, Physics Department, Faculty of Science, Al-Azhar University.

Finally, I would like to thank my **father** and my **mother** for supporting me for ever. And I would like to express my heartfelt thanks to my **wife** who gave me the strength to finish this work, I want to thank her for all her pains during this work is achieved.
