	Page
I. INTRODUCTION.....	1
II. REVIEW OF LITERATURE.....	3
1. Taxonomic studies.....	3
1.1. Hosts and distribution of genus <i>Aphytis</i> Howard of the world.....	3
1.2. Taxonomy.....	3
2. Population dynamics of genus <i>Aphytis</i> and its role in the biological control.....	26
III. MATERIALS AND METHODS.....	34
1. Taxonomic studies.....	34
2. Population dynamics of genus <i>Aphytis</i> in Egypt.....	35
2.1. Sampling	35
2.2. Counting.....	35
IV. RESULTS AND DISCUSSION.....	37
1. Taxonomic studies.....	37
1.1. Hosts and distribution of genus <i>Aphytis</i> in Egypt	37
1.2. Taxonomy.....	47
Order Hymenoptera.....	47
Suborder Apocrita.....	47
Superfamily Chalcidoidea.....	47
Family Aphelinidae.....	47
Genus <i>Aphytis</i> Howard.....	47
Key to <i>Aphytis</i> sp. attacking armored scale insects in Egypt.....	49

<i>Aphytis africanus</i> Quednau.....	51
<i>Aphytis aonidiae</i> (Mercet).....	53
<i>Aphytis chilensis</i> Howard.....	56
<i>Aphytis chrysomphali</i> (Mercet).....	59
<i>Aphytis coheni</i> DeBach.....	61
<i>Aphytis diaspidis</i> (Howard).....	63
<i>Aphytis hispanicus</i> (Mercet).....	66
<i>Aphytis holoxanthus</i> DeBach.....	69
<i>Aphytis lepidosaphes</i> Compere.....	71
<i>Aphytis libanicus</i> Traboulsi.....	73
<i>Aphytis lingnanensis</i> Compere.....	76
<i>Aphytis melinus</i> DeBach.....	78
<i>Aphytis mytilaspidis</i> Le Baron.....	80
<i>Aphytis opuntiae</i> (Mercet).....	83
<i>Aphytis paramaculicornis</i> DeBach and Rosen..	85
<i>Aphytis philippinensis</i> DeBach and Rosen.....	87
<i>Aphytis phoenicis</i> DeBach and Rosen.....	90
<i>Aphytis vandenboschi</i> DeBach and Rosen.....	92
Population dynamics of genus <i>Aphytis</i> and its role in the biological control of armored scale insects in Egypt.....	95
V. SUMMARY.....	180
VI. REFERENCES.....	189
