

CONTENTS

	Page
I- INTRODUCTION AND AIM OF WORK.....	1
II- ANATOMY OF THE ANAL CANAL.....	4
III- PHYSIOLOGY OF PAIN.....	26
IV- DIFFERENTIAL DIAGNOSIS OF THE PAINFUL ANAL CONDI- TIONS.....	29
V- ANAL FISSURE.....	33
- Incidence of anal fissure.....	33
- Aetiology of anal fissure.....	33
- Pathology of anal fissure.....	36
- Clinical pictures and diagnosis of anal fissure..	37
- Treatment of anal fissure.....	41
VI- ANORECTAL SUPPURATION.....	53
- Incidence of anorectal suppuration.....	53
- Aetiology of anorectal suppuration.....	53
- Classification of anorectal suppuration.....	55
- Clinical pict. and diagnosis of anorectal suppura- tion.....	57
- Treatment of anorectal suppuration.....	60
VII- FISTULA-IN-ANO.....	68
- Incidence of fistula-in-ano.....	68
- Pathogenesis of fistula-in-ano.....	68
- Aetiology and classification of fistula-in-ano...	71

- II -

	Page
- Clinical picture and diagnosis of fistula-in-ano..	74
- Treatment of fistula-in-ano.....	76
VIII- THROMBOSED PILES.....	83
- Incidence of thrombosed piles.....	83
- Aetiology of thrombosed piles.....	84
- Clinical pictures and diagnosis of thrombosed piles.	86
- Management of thrombosed piles.....	90
IX - CARCINOMA OF THE ANAL CANAL AND ANUS.....	98
- Squamous cell carcinoma.....	99
- Basal cell carcinoma.....	113
- Malignant melanoma.....	114
- Adenocarcinoma of the anal canal.....	116
