Chapter		Page
I	Introduction:	
	- Historical note	1
	- Review of the literature:	
	. Development	5
	. Anatomy.....	6
	. Histology.....	18
	. Etiology of acute appendicitis.....	20
	. Pathology of acute appendicitis.....	27
	. Bilharziasis of appendix.....	34
	. Actinomycosis of the appendix.....	36
	. Clinical picture of acute appendicitis....	38
	. An account on leucocytic count.....	50
II	Aim of the work.....	55
III	Material and Methods.....	56
	- Clinical study.....	57
	- Haematological study.....	60
	- Operative finding.....	62
	- Histo- pathological study.....	64

CONTENTS (Cont.).

IV	Results:	
	- Age incidence.....	65
	- Sex incidence.....	67
	- Type of patients.....	67
	- Operative findings.....	68
	- Position of the appendix.....	68
	- Signs of inflammation.....	69
	- Obstructed appendicitis.....	70
	- Complicated appendicitis.....	71
	- Clinical findings.....	72
	- Leucocytic count.	
	- Total and Differential.....	74
	- Pathology.....	83
V	Discussion.....	101
VI	Summary and Conclusion.....	112
VII	References.....	114
VIII	Arabic Summary
