ed. Zakim, D. and Bayer, T.D. 2nd edition, Volume 2.

W.B.Saunders Company, Philadelphia London Toronto. PP. 1459-1473.

Polson, R.J.; Portmann, B. and Calne, R. Y. (1989) :

Evidence for disease recurrence after liver transplantation for primary biliary cirrhosis.

Gastroenterology, 97:715-725.

Porayko, M.K.; Dicesso, S. and O'Keefe, S.J. (1991) :

Impact of malnutrition and its therapy on liver transplantation.

Seminars in Liver Disease, 11:305-314.

Porterucha, J.J.; Pakela, J. and Lumeng, L. (1992) :

Diagnosis of chronic hepatitis C after liver transplantation by the detection of viral sequences with polymerase chain reaction.

Hepatology, 15:42-45.

Quiroga, J.; Starzl, T.E. and VanThiel, D.H. (1991) :

Cause and timing of first allograft failure in orthotopic liver transplantation: a study of 177 consecutive patients.

Hepatology, 14:1054-1062.

Rappaport, A.M. (1973) :

The microcirculatory hepatic Unit.

Microvascular Research, 6:212-228.

(Quoted from Mathie et al., 1988).

Schwartz, S.I. (1990) :

Anatomy of the extrahepatic biliary tract. In: Maingot's Abdominal Operation.
ed. Schwartz, S.I.; Ellis, H. and Hussur, W.C. 9th edition, Vol.2.
Prentice-Hall International Inc., London sydney Toronto. PP.1337-1348.

Seu, P.; Wilkinson, A.H. and Shaked, A. (1991) :

The hepatorenal syndrome in liver transplant recipients.
Am. Surg. 57:806-809.

Shaefer, M.S. (1991) :

Current topics in immunotherapy and the role of the pharmacist on a solid
organ transplant service. Pharmacotherapy, 11:1365-1415.

Shaked, A. and Busuttil, R.W. (1991) :

Liver transplantation in patients with portal vein thrombosis and central
portacaval shunts.

Annals of Surgery, 214:696-702.

Shaked, A.; Colonna, J.O. and Goldstein, L. (1992 a) :

The interrelation between sclerosing cholangitis and ulcerative colitis in
patients undergoing liver transplantation.

Annals of Surgery, 215:598-604.

Shaked, A.; Harrison, R.E. and Busuttil, R.W. (1992 b) :

Hepatic artery thrombosis resulting in gas gangrene of the transplanted liver.
Surgery, 111:462-465.

Shaw, B.W.; Iwatsuki, S. and Starzl, T.E. (1984) :

Venovenous bypass in clinical liver transplantation.
Annals of Surgery, 200:524-534.

Shaw, B.W.; Gordon, R.D. and Starzl, T.E. (1985) :

Hepatic retransplantation.

Transplantation Proceedings, 17:264-271.

Shaw, B.W.; Wood, R.P and Stratta, R.J. (1989) :

Stratifying the causes of death in liver transplant recipients.

Archives of Surgery, 124:895-900.

Sherlock, S. (1989) :

Assesment of the liver function and liver transplantation. In:

Diseases of The Liver and Biliary System. ed. Sherlock, S. 8th edition.

Blackwell Scientific Publications Oxford London Melbourne.

Simmons, R.L.; Migliori, R.J.; Smith, C.R. and Najarian, J.S. (1989) :

Transplantation. In : Principles of Surgery. ed. Schwartz, I.S.; Shires, G.T.;

Spencer, F.C., and Husser, W.C. 14th edition, Volume 1.

McGray Hill Book Company New York Paris Toronto. PP. 387-458.

Sloff, M.J.H.; Sluiter, W.J. and Verwer, R. (1989) :

A modified cannulation technique for venovenous bypass during orthotopic liver transplantation.

Transplantation proceedings, 21:2328-2329.

Southard, J.H.; Marsh, D.C. and Belzer, F.O. (1987) :

Oxygen derived free radical damage in oxygen preservation: activity of superoxide dismutase and xanthine oxidase.

Surgery, 101:560-570.

Starzl, T.E.; Iwatsuki, S. and VanThiel, D.H. (1982) :

Evolution of liver transplantation.

Starzl, T.E.; Bilheimer, D.W. and Bonhnson, H.T. (1984) :

Heart liver transplantation in patient with familial hypercholesterolaemia.
Lancet, 1:1382-1383.

Starzl, T.E.; Iwatsuki, S. and Esquivel, C.O. (1985) :

Refinement in the surgical technique of liver transplantation.
Seminar in Liver Disease, 5:349-356.

Starzl, T.E.; Iwatsuki, S. and Shaw, B.W. (1986) :

Treatment of fibrolamellar hepatoma with partial or total hepatectomy and
transplantation of the liver.
Surgery, Gynecology and Obstetrics, 162:145-148.

Starzl, T.E.; Todo, S. and Iwatsuki, S. (1989) :

Abdominal organ cluster transplantation for the treatment of upper
abdominal malignancies.
Annals of surgery, 210:374-386.

Starzl, T.E.; Iwatsuki, S. and Todo, S. (1991) :

Liver Transplantation. In:Textbook of surgery,the biological basis of modern
surgical practice. ed. sabiston, D.C. 14th edition, Volume 1.
W.B.Saunders Company Philadelphia London Tokyo.PP. 510-520.

Sternlich, I. (1984) :

Wilson's disease : indications for liver transplants.
Hepatology, 4 (supp.): 15-18.

Stieber, A.C.; Marsh, J.W. and Starzl, T.E. (1989) :

Preservation of retrohepatic vena cava during recipient hepatectomy for
orthotopic liver transplantation.
Surgery, Gynaecology and Obstetrics, 166:131-134.

Stiller, C.R. and Robinette, M.A. (1985) :

Ethics for transplantation.

Transplantation Proceedings, 17:131-138.

Stobo, J.D. (1987) :

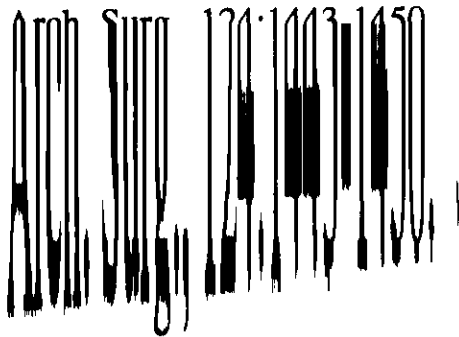

Lymphocytes. T cells. In: Basic and Clinical Immunology.

ed. Stites, D.P.; Stobo, J.D. and Wells, J.V. 6th edition.

Appleton and Lange, California. PP. 65-72.

Stratta, R.J.; Shafer, M.S. and Markin, R.S. (1989) :

Clinical patterns of cytomegalovirus disease after liver transplantation.

Stuart, F.P. (1984) :

Need, Supply and legal issues related to organ transplantation in the U.S.A.

Transplantation Proceedings, 16:87-94.

Sumimoto, K.; Jamieson, N.V. and Wake, K. (1989) :

24 hour rat liver preservation Using UW solution and some simplified variants.

Transplantation, 48:1-5.

Takaya, S.; Bronsther, O. and Iwaki, Y. (1992) :

The adverse impact on liver transplantation of using positive cytotoxic crossmatch donors.

Transplantation, 53:400-406.

Tamaki, T.; Okouchi, Y.; Kazaki, M. and Pega, D.E. (1988) :

Hyper thermic preservation of the rat liver assessed by orthotopic transplantation.

Transplantation, 46:626-628.

Tashiro, S.; Kawameto, S. and Saito, N. (1989) :

Evaluation of early graft failure in orthotopic liver transplants in dogs.

Transplantation Proceedings, 21:1344-1346.

Thomas, H.C. and Jewell, D. P. (1979) :

Influence of the liver on the immune response. In: Clinical Gastrointestinal Immunology. ed. Thomas, H.C. and Jewell, D.P. 1st edition.

Blackwell scientific publications Oxford london Melbourne. PP.38-52.

Tillery, W.; Demetris, J. and Watkins, D. (1989) :

Pathologic recognition of preservation injury in hepatic allograft with six months follow up.

Transplantation Proceedings, 21:1330-1333.

Todo, S.; Tzakis, A.G.; Iwatsuki, S. and Starzl, T.E. (1987) :

Hepatic artery in liver transplantation.

Transplantation Proceedings, 19:2406-2411.

Todo, S.; Nery, J.; Gordon, R.D. and Starzl, T.E. (1989) :

Extended preservation of human liver grafts with UW solution.

JAMA, 261:711-714.

Todo, S.; Demetris, A.J.; Vanthiel, D. and Starzl T.E. (1991) :

Orthotopic liver transplantation for patients with hepatitis B virus-related liver disease.

Hepatology, 13:619-626.

Tzakis, A.; Todo, S. and Starzl, T.E. (1989) :

Piggyback orthotopic liver transplantation with preservation of the inferior vena cava.

Annals of Surgery, 210:649-652.

VanHoek, B.; Wiesner, R.H.; and Ludwing, J. (1991) :

Combination immunosuppression with azathioprine reduce the incidence of ductopenic rejection and vanishing bile duct syndrome after liver transplantation.

Transplantation Proceedings, 23:1403-1405.

Vanthiel, D.; Schaude, R. and Gavalcr, J. (1984) :

Medical aspects of liver transplantation.

Hepatology, 4 (supp): 79-83.

Vine, W.; Thomas, W.J. and Ugurbil, K. (1989) :

Biochemical differences between Ringer's lactate and Collin's solution ;
detection by ³¹P magnetic resonance spectroscopy.

Transplantation Proceedings, 21:1338-1339.

Wallwork, J.; Williams, R. and Calne, R. Y. (1987) :

Transplantation of the liver, heart and lungs for primary biliary cirrhosis and primary pulmonary hypertension.

Lancet, 2:182-184.

Watts, R. W.; Calne, R. Y. and Rolles, K. (1987):

Successful treatment of primary hyperoxaluria type I by combined hepatic and renal transplantation.

Lancet, 2:474-475.

webb, G. (1981) :

Schistosomiasis : some advances.

Brit. Med. J., 283:1104-1106.

Wiesner, R.H.; Ludwig, J. and Krom, R.A. (1991) :

Current concepts in cell-mediated hepatic allograft rejection leading to ductopenia and liver failure.

Hepatology, 14:721-729.

Williams, P.L.; Worwich, R.; Dyson, M. and Banister, L.H. (1989) :

Splanchnology : The liver. In: Gray's Anatomy.

ed. williams, P.L.; warwich, R.; Dyson, M. and Banister, L.H. 37th edition.

Churchill Livingstone, Edinburgh London New York. PP. 1384-1396.

Winn, I.I. (1974) :

The mechanisms of immunological enhancement. In: Progress in

Immunology. ed. Brent, L. and Holborow, E.J. North Holland-American

Elsevier, Amsterdam. PP.207-221.

Wood, R.P.; Stratta, R.J. and Shaw, B.W. (1985) :

Extrahepatic complications of liver transplantation.

Seminar in Liver Disease, 5:377-384.

Wood, J.R. and Svanvik, J. (1983) :

Gallbladder water and electrolyte, transport and regulation.

Gut, 24:579-580.

Woodburne, R.T. (1983) :

The abdomen: the liver. In: Essentials of Human Anatomy. ed. Woodburne,

R.T. 37th edition. Oxford University Press, New York. (Oxford. PP. 416-427.

Wright, H.I.; Cavaler, J.S. and Vanthiel, D.H. (1992 a) :

Preliminary experience with α -2b-interferon therapy of viral hepatitis in liver allograft recipients.

Transplantation, 53:121-124.

Wright, H.I.; Starzl, T.E. and Vanthiel, D.H. (1992 b) :

Disease recurrence and rejection following liver transplantation for autoimmune chronic active liver disease.

Transplantation, 53:136-139.
