

## CONTENTS

	Page
INTRODUCTION.....	1
I. REVIEW OF LITERATURE.....	3
I.1 Fatty acids content of rapeseed oils.....	3
I.2 Unsaponifiable matter composition of rapeseed oils.....	8
I.3 Toxicity of erucic acid.....	10
I.4 Chemical composition of rapeseed meal.....	14
I.5 Toxicity and treatment of rapeseed meal.....	19
I.6 Effect of glucosinolate in nutrition.....	22
I.7 Physiological action of glucosinolates.....	25
I.8 Detoxification of rapeseed meal.....	27
II. MATERIAL AND METHODS.....	31
II.1 Extraction of oils from the two different rapeseed varieties....	31
II.2 Physical and chemical properties of rapeseed oils.....	32
II.3 Determination of fatty acids.....	32
II.4 Determination of unsaponifiable matters by GLC.....	33
II.5 Biological evaluation of rapeseed oil.....	34
II.5.1 Composition of the experimental diet.....	34
II.5.2 Blood sampling.....	36
II.5.3 Biological analysis.....	37
II.5.3.1 Estimation of transaminases activity (GPT and GOT).....	37
II.5.3.2 Estimation of alkaline phosphatase.....	38
II.5.3.3 Determination of blood urea.....	39
II.5.3.4 Determination of blood total cholesterol.....	40
II.5.3.5 Determination of blood glucose.....	42

	Page
II.6 Statistical analysis.....	43
II.7 Analysis of meal.....	44
II.7.1 Estimation of glucosinolates.....	44
II.7.2 Preparation of detoxified rapeseed meal.....	45
II.8 Biological evaluation of rapeseed meal.....	46
II.8.1 Composition of the experimental diet.....	47
II.8.2 Biological analysis of blood samples.....	48
<b>III. RESULTS AND DISCUSSION.....</b>	<b>50</b>
III.1 Physical and chemical properties of rapeseed oil.....	50
III.2 Fatty acids composition of rapeseed oils (German and French) varieties.....	53
III.3 Unsaponifiable matter of rapeseed oils (German and French) varieties.....	64
III.4 Biological evaluation of rapeseed oil (German variety).....	71
III.4.1 Effect of erucic acid rapeseed oil on heart function.....	72
III.4.2 Effect of erucic acid rapeseed oil on liver function.....	75
III.4.3 Effect of erucic acid rapeseed oil on kidney function.....	76
III.4.4 Effect of erucic oil on blood sugar and total cholesterol content in serum.....	77
III.5 Chemical composition of rapeseed meal.....	79
III.6 Elimination of glucosinolates from rapeseed meal.....	83

	Page
III.7 Biological evaluation of rapeseed meal (German variety).....	87
III.7.1 Effect of glucosinolate of rapeseed meal on weight gain.....	87
III.7.2 Effect of glucosinolate rapeseed meal on liver functions.....	91
IV. SUMMARY.....	95
V. REFERENCES.....	102
ARABIC SUMMARY.....	-
