INTRODUCTION	2
ANATOMY OF THE MENISCI	5
MEDIAL MENISCUS	6
LATERAL MENISCUS	6
ARTHROSCOPIC ANATOMY	6
HISTOLOGY OF THE MENISCI	8
FUNCTIONS OF THE MENISCI	9
INJURIES OF THE MENISCI	12
MECHANISM OF MENISCAL TEARS	13
Medial Meniscus	13
Lateral Meniscus	14
CLASSIFICATION OF MENISCAL LESIONS	15
Vertical Longitudinal Tear	16
Vertical Transverse (Radial) Tear	18
Oblique (Flap) Tear	18
Horizontal Or Cleavage Tear	19
Multiple Meniscal (Shattered Meniscus) Tears	20
Cystic Degeneration	20
Detachment Of Meniscal Horns	21
Partial Thickness Tear	21
Post-Meniscectomy Meniscal Rim Tear	21
Calcification And Ossification	22
Discoid Meniscus	22
The Degenerate Meniscus	23
DIAGNOSIS OF MENISCAL LESIONS	25
PAIN	26
EFFUSION	26
WEAKNESS	27
LOCKING	27
INSTABILITY	28
PHYSICAL EXAMINATION AND INVESTIGATION	28
Arthrography	29
Arthroscopy	31
Indications	32
Limitation	33
Contraindications	34
Problems in arthroscopy	34
Role of arthroscopy in diagnosing meniscal lesions	36
Secondary signs of a torn meniscus	38
Accuracy of diagnostic arthroscopy in meniscal lesion	38
Diagnostic arthroscopy of the knee in children	39
Computed Tomography	41
Magnetic Resonance Imaging	42
TREATMENT OF MENISCAL LESIONS	44
PARTIAL VERSUS TOTAL MENISCECTOMY	48
ARTHROSCOPIC VERSUS OPEN MENISCECTOMY	50

ARTHROSCOPIC MENISCECTOMY	55
ANAESTHESIA	56
TOURNIQUET	57
IRRIGATING SOLUTIONS	58
INSTRUMENTS	58
Arthroscopy Cannula	59
The Probe	60
Surgical Tools	60
FULCRUM POST	62
PORTALS OR APPROACHES	64
Anterolateral Portal	64
Anteromedial Portal	65
Posteromedial Portal	65
Superolateral Portal	66
Posterolateral Portal	67
Proximal Midpatellar Medial And Lateral Portals (Patel, 1982)	67
Central Transpatellar Approach (Swedish System)	68
Inframeniscal Approach	69
Alternative Approaches	70
TECHNIQUE OF ARTHROSCOPIC MENISCECTOMY	70
STAGES OF ARTHROSCOPIC MENISCECTOMY	72
SURGERY FOR SPECIFIC MENISCAL DISORDERS	75
Medial Meniscus	75
Longitudinal tears	75
Flap tears	77
Horizontal tears	79
Lateral Meniscus	80
Longitudinal tears	80
Radial tears	82
Flap tears	83
Discoid Meniscus	83
Miscellaneous Lesions In Both Menisci	84
Shattered meniscus	84
Degenerate meniscus	85
Hypermobility meniscus	85
Cystic degeneration	86
Total Arthroscopic Meniscectomy	86
COMPLICATIONS OF ARTHROSCOPIC MENISCECTOMY	87
KNEE REHABILITATION FOLLOWING ARTHROSCOPIC MENISCECTOMY	89
PROGNOSIS OF ARTHROSCOPIC MENISCECTOMY	92
AIM OF THE STUDY	94
MATERIAL AND METHODS	95
PREOPERATIVE ASSESSMENT	97
SURGICAL TECHNIQUE	97
POST-OPERATIVE CARE AND FOLLOW-UP	99
RESULTS	101
ANALYSIS OF THE PREOPERATIVE FINDINGS	101
ANALYSIS OF THE OPERATIVE FINDINGS	104
ANALYSIS OF POST-OPERATIVE AND FOLLOW UP FINDINGS	106
Post Operative Complications	106
Hospitalization	106

Walking Aids	107
Return To Normal Activity	107
Return To Sports	108
Symptomatic Grade	109
DISCUSSION	113
SUMMARY	121
REFERENCES	125
