

# ACKNOWLEDGEMENT

Thanks and gratitude is due to Almighty Allah for giving me life, hope and helped me in concluding this work.

I wish to express my deepest gratitude to my supervisor **Prof. Dr. M. A. El-Ries** professor of Analytical Chemistry, President of Pharmaceutical chemistry division, National Organization of Drug control and Research (NODCAR), for continuous encouragement, kind interest and help he offers during the progress of this work.

I wish to express my sincere thanks to my supervisor **Dr. S. A. Shama** assistant professor of Analytical Chemistry, Faculty of Science, Benha University, for continuous encouragement, kind interest and help he offers during the progress of this work. I truly appreciate all the time, overall friendliness and advice he gave me throughout.

I wish to express my deepest gratitude to my supervisor **Dr. Anwar. A. Wassel** assistant professor of inorganic and Analytical Chemistry, National Organization of Drug control and Research (NODCAR), for continuous encouragement, kind interest and help he offers during the progress of this work.

I would like to express my sincere gratitude to all members of Department of Chemistry, Faculty of Science, Benha University, and all members of Pharmaceutical chemistry division, National Organization of Drug control and Research (NODCAR).

Lastly my thanks to all persons who helped me in this work.

**Ahmad Hamdy Ahmad**
