

List of Contents

====

	Page
Introduction and aim of the work.....	1
Review of literature.....	2
• End stage renal disease in children.....	2
• General principles of kidney transplantation in children.....	5
• Immunosuppression in pediatric renal transplant patients	14
• Complications of renal transplantation in pediatrics.....	24
• Growth after renal transplantation in children.....	39
Patients and methods.....	50
Results.....	60
Discussion.....	89
Summary and Conclusion.....	101
References.....	103
Arabic Summary.....	

List of Diagrams

====

	Page
Diagram 1 (prednisolone, cyclosporine A) immunosuppressive protocol.	52
Diagram 2 (prednisolone, cyclosporine A and azathioprine) immunosuppressive protocol.....	53
Diagram 3 (Tacrolimus based) immunosuppressive protocol.....	54
Diagram 4 (Steroid avoidance) immunosuppressive protocol.....	55

List of Tables

=====

	Page
Table (1a): Characteristics of kidney transplant recipients.....	60
Table (1b): Original kidney disease	61
Table (2): Characteristics of kidney donors	62
Table (3): Percentage of HLA matching	63
Table (4): Surgical Aspects	64
Table (5): Immunosuppressive therapy	66
Table (6): Acute rejection episodes	67
Table (7): Impact of primary immunosuppressive regimen on incidence of acute rejection episodes.	68
Table (8): Histopathological findings	69
Table (9a): Post-transplant complications	70
Table (9b): The infectious complications	71
Table (10): The condition at last follow up.....	72
Table (11): Impact of demographic variables on graft survival	73
Table (12a): Impact of pre-transplant variables on graft survival	74
Table (12b): Impact of HLA and DR matching on graft survival	75
Table (13): Impact of intraoperative finding on graft survival.....	76
Table (14a): Impact of post-transplant medical variables on graft survival.....	77
Table (14b): Impact of post-transplant surgial variables on graft survival.....	78

	Page
Table (15): Factors affecting graft survival by multivariate analysis.....	79
Table (16): Standard deviation score for height and weight.....	80
Table (17): Effects of pretransplant variables on final height.....	81
Table (18): Effects of posttransplant variables on final height.....	82
Table (19): Effect of steroid therapy on final height.....	83
Table (20): Effects of graft function on final height.....	84
Table (21): Factors affecting final height by multivariate analysis.....	85

List of Figures

====

	Page
Figure (1): Patient survival	86
Figure (2): Graft survival	87
Figure (3): Impact of type of primary immunosuppressive regimen on graft survival.....	88
