Abstract	I
Chapter I: Introduction & Previous work	
1- Generalities	1
2- Geologic setting.....	1
3- Location of the study area.....	3
4- Scope of the present work.....	5
5- Methodology	5
6- Thesis subdivision.....	6
Previous work.....	7
Chapter II: Stratigraphy	
1. Lithostratigraphy.....	16
1.1. Masajid Formation.....	20
1.2. Risan Aneiza Formation.....	24
1.3. Galala Formation.....	26
1.4. Abu Qada Formation.....	39
1.5. Buttum Formation.....	42
1.6. Wata Formation.....	47
1.7. Themed Formation.....	54
1.8. Sudr Chalk.....	58
1.9. Mitla Formation.....	69
1.10. Thebes Formation.....	70
1.11. Minia Formation.....	72
2. Biostratigraphy.....	78
2.1. Zonation based on ammonites.....	78
2.2. Zonation based on macrofossils other than ammonites.....	81
Chapter III: Petrography & lithofacies	
1- Lithofacies of Masajid Formation.....	102
2- Lithofacies of Risan Aneiza Formation.....	105
3- Lithofacies of Galala Formation.....	109
4- Lithofacies of Abu Qada Formation.....	115
5- Lithofacies of Buttum Formation.....	131
6- Lithofacies of Wata Formation.....	136
7- Lithofacies of Themed Formation.....	140
8- Lithofacies of Sudr Chalk.....	149
9- Lithofacies of Mitla Formation.....	159
10- Lithofacies of Thebes Formation.....	160
11- Lithofacies of Minia Formation.....	161
	165

Chapter IV: Diagenesis	172
Diagenesis:	172
1- Diagenesis of carbonate rocks	173
1.a- Isochemical processes.....	173
1.a.1- Cementation.....	173
1.a.2- Micritization.....	176
1.a.3- Neomorphism.....	178
1.b- Allochemical processes.....	184
1.b.1- Dolomitization.....	184
1.b.1- Silicification.....	188
2- Diagenesis of sandstone rocks	193
2.a- Silica cementation.....	194
2.b- Calcite cementation.....	194
2.c- Dolomite replacement.....	194
2.d- Hematite cementation and pigmentation.....	195
Chapter V: Depositional environments	
1- Depositional environments of Masajid Formation.....	197
2- Depositional environments of Risan Aneiza Formation.....	199
3- Depositional environments of Galala Formation.....	202
4- Depositional environments of Abu Qada Formation.....	207
5- Depositional environments of Buttum Formation.....	215
6- Depositional environments of Wata Formation.....	218
7- Depositional environments of Themed Formation.....	221
8- Depositional environments of Sudr Chalk.....	226
9- Depositional environments of Mitla Formation.....	232
10- Depositional environments of Thebes Formation.....	233
11- Depositional environments of Minia Formation.....	234
Chapter VI: Summary and conclusions	
References	239
Arabic summary	248
