	<i>page</i>
Introduction .....	1
Aim of the work .....	3
Review of literature .....	4
The Fetal membranes:	
- Pregnancy Organization.	
- Structure of Fetal membranes and parturition	
Calcium Channels: .....	22
- Types of Calcium Channels	
- Role of Calcium in smooth muscle contraction	
- Smooth muscle contraction	
- Smooth muscle relaxation	
Calcium Channels blockers:.....	30
- Definition.	
- Classification of Calcium Channel blockers.	
- Mechanism of actions of Calcium Channel blocker.	
- Action of Calcium Channel blockers.	
Dxytocin : .....	42
- History of Oxytocin.	
- Chemical Structure.	
- Source and Secretion.	
- Mode of action on Myometrium.	
- Metabolism.	
- Actions of Oxytocin.	
- Side effects.	
Prostaglandins:.....	50
- History.	
- Source.	
- Chemical Structure.	
- Mechanism of action and Metabolism.	
- Prostaglandin.	
- Side effects.	
Material and Methods. ....	61
Results. ....	76
Discussion.....	105
Summery and Conclusion.	113
References.....	116
Arabic Summery.....	\
