Introduction	1-2
Aim of work	3
Review of literature	4-57
Historical review	4
Taxonomy OF Schistosomes	4
Epidemiology	5
Schistosoma speices	6
Morphology of <i>S.mansoni</i>	6-8
Life cycle of <i>S.mansoni</i>	10-13
Pathology of intestinal schistosomiasis	14-17
Clinical picture of intestinal schistosomiasis	17
The immune response in schistosomiasis	17-21
Evasion of Host Immunity	22-30
Diagnosis of <i>schistosoma</i>	31-36
Antischistosomal drugs	35-48
Schistosomiasis control	48-50
Electron Microscopy in schistosomiasis	50-56
Materials and Methods	58-68
Results	59-99

Disseusion	100- 107
Summary and conclusion	108- 110
Recommendations	111
References	112- 136
Arabic summary
