● REVIEW OF LITERATURE

Page No.

Chapter One: “Introduction, Aetiology, Pathophysiology, & Endocrinal changes in PCOS”:

+ Introduction.....	1
+ Definition of PCOS.....	2
+ Prevalence of PCOS.....	5
+ Clinical Importance of PCOS.....	6
+ Aetiology of PCOS.....	7
+ Pathophysiology of PCOS.....	14
+ Pathophysiology of endocrinal abnormalities in PCOS.....	18
+ Neurological & psychological aspect of PCOS.....	26

Chapter Two: “Lipid metabolism & Dyslipidemia in PCOS”:

+ Lipid metabolism in normal women.....	28
+ Dyslipidemia with PCOS.....	37
+ Effects of insulin & IGFs on ovarian steroidogenesis.....	44
+ Metabolic, CVS & other clinical complications with PCOS.....	48

Chapter Three: “Hyperinsulinemia & Insulin Sensitivity in PCOS”:

+ Introduction.....	54
+ Definition of IR.....	54
+ Incidence of IR & Hyperinsulinemia in PCOS women.....	55
+ Types of IR.....	55

+ Glucose tolerance in PCOS.....	56
+ Pathophysiology of hyperinsulinemia & IR.....	63
+ Mechanism of insulin secretion.....	66
+ Mechanism of insulin clearance.....	66
+ Mechanism of IR & Hyperinsulinemia in PCOS.....	67
+ Role of Adenosine Regulation of insulin sensitivity in PCOS.....	72
+ Effect of Insulin & IGFs on Ovarian steroidogenesis.....	81
+ Sequence of events in Hyperinsulinemia & Hyperandrogenisem.	83
+ Role of Obesity in IR & PCOS.....	85

Chapter Four: “Diagnosis of PCOS”:

+ Clinical Presentation of PCOS.....	88
+ Differential Diagnosis of PCOS.....	98
+ Laboratory Diagnosis of PCOS	103
+ Imaging Diagnosis of PCOS	108

Chapter Five: “Metabolic Syndrome”:

+ Introduction.....	111
+ Definition of Metabolic Syndrome.....	113
+ Prevalence of Metabolic Syndrome.....	118
+ Pathophysiology of Metabolic Syndrome.....	119
+ Dyslipidemia in Metabolic Syndrome.....	123
+ Type II Diabetes , Familial combined hyperinsulinemia in Metabolic Syndrome.....	132
+ Diagnosis of Metabolic Syndrome.....	135
+ Metabolism & Health implication of Metabolic Syndrome....	145
+ Current & Future management of Metabolic Syndrome.....	147

● AIM OF THE PRESENT STUDY.....	156
● SUBJECTS & METHODS.....	157
● RESULTS & STATISTICAL ANALYSIS.....	163
● DISCUSSION.....	178
● SUMMARY & CONCLUSION.....	193
● RECOMMENDATIONS.....	196
● REFERENCES.....	197
● ARABIC SUMMARY.....
