

CONTENTS

CHAPTER I

1.1. Introduction	1
1.2. Literature Survey of the Investigated Compounds	6
1.2.1. Spectrophotometric methods	6
1.2.2. HPLC methods	13
1.2.3. Capillary electrophoresis methods	19
1.2.4. Electrochemical methods	21
1.2.5. Miscellaneous methods	23

CHAPTER II

2. Experimental	28
2.1. Chemicals	29
2.2. Preparations of the solutions	33
2.3. Equipment's	34
2.4. Working procedure	39

CHAPTER III

3. Results and discussion	46
3.1. Absorption spectra of warfarin with the reagents	47
3.2. Absorption spectra of bromadiolone with the reagents	62
