

-INTRODUCTION	1
-AIM OF THE WORK.....	5
-REVIEW OF LITERATURE.....	6
** Histology of the endometrium.....	6
**Intrauterine adhesions.....	11
-Definition.....	11
-History.....	11
-Incidence.....	12
-Aetiology.....	15
-Symptomatology.....	22
- Histopathology.....	25
-Diagnosis.....	27
-Classifications.....	30
-Management.....	36
-Prognosis.....	41
**History and the development of hysteroscopy.....	43
-Instruments & types of hysteroscops.....	44
-Anesthesia.....	53
-Media for uterine distention.....	54
-Indications of hysteroscopy.....	57
-Contraindications.....	61
-Complications.....	62
-Useful adjuncts to operative hysteroscopy....	64
-PATIENTS & METHODS.....	66
-RESULTS	70
-DISCUSSION.....	75
-SUMMARY & CONCLUSION.....	81
-REFRANCES.....	84
-ARABIC SUMMARY
