

CONTENTS

	Page
CHAPTER I	
Introduction	1
Definition of Eczema	1
Classification of Eczema of the Hands	2
The Incidence of Eczema	7
Histopathology of Eczema	8
CHAPTER II	
Contact Dermatitis	12
Classification of Contact Dermatitis	15
Primary Irritant Dermatitis	16
Histopathology of Primary Irritant Dermatitis	18
Agent Implicated in Primary Irritant Dermatitis	19
Dermatitis from Cumulative Insults	21
House-Wife's Eczema	22
Clinical Picture	23
Etiology	24
Ring Dermatitis	27
Diagnosis	29
Management	30
Histopathology of contact Dermatitis	31
Predisposing Factors in Allergic Contact Dermatitis	36
Allergic Contact Dermatitis	39

CONTENTS (Cont.)

	Page
Etiologic Agents for Contact Dermatitis	41
Specific Type of Allergic Contact Dermatitis	42
Nickel	42
Chromium	45
Cement Dermatitis	46
Implications of Langerhans Cells in Immune Reaction	48
Diagnosis and Clinical Presentation of C.D.	52
The Patch Test	54
Treatment of Allergic Contact Dermatitis	56
CHAPTER III	
Nummular Eczema	61
Etiology	61
Incidence	63
Histopathology	64
Clinical Picture	65
Treatment of Nummular Eczema	66
CHAPTER IV	
Dyshidrosis (Pompholyx)	68
Definition	68
Histopathology of Dyshidrosis	70
Etiology	73

CONTENTS (Cont.)

	Page
Incidence	75
Clinical Picture of Dyshidrosis	77
Differential Diagnosis	79
Treatment	79
 CHAPTER V	
Atopic Dermatitis	81
History and Definition	81
Incidence	81
Morphology	82
Pruritis	83
Immunoglobulin in Atopy	83
Role of Heredity	83
Food Allergy	83
Histopathology of Atopic Dermatitis	84
IgE on Langerhans Cells	84
New Insights into the Pathogenesis of A.D.	84
Treatment of Atopic Dermatitis	87

CONTENTS (Cont.)

	Page
CHAPTER VI	
Other Types of Hand Eczema	90
Patchy Vesiculosquamous Eczema	90
Xerotic Eczema	91
Dysheratotic or Dry Palmar Eczema	92
Phlyctenular Eczema of the Thenar Eminence	93
Hyperkeratotic Eczema of the Palm and Fingers	93
SUMMARY	95
REFERENCES	99
ARABIC SUMMARY
