

CONTENTS

CHAPTER - I

Introduction	1
--------------------	---

CHAPTER - II

Material and Methods	8
1) Water analysis	8
2) Collection	18
4) Effect of water quality on reproduction of the snails	19
3) Biochemical Analysis	20

CHAPTER - III

Results	25
I) Water Analysis	25
II) Enzyme Activities	31
III) Transfer Experiment	43
IV) Effect of water quality on Spawning	66

CHAPTER - IV

Discussion	74
Summary	83
References	88
Arabic Summary
