Introduction	1
Aim of the Work	3
Review of Literature	4
*ANATOMY OF VENOUS SYSTEM OF THE LOWER LIMB:	4
* CHRONIC VENOUS LEG ULCER :	10
- Definition and incidence.....	10
- Pathophysiology.....	11
- Pathology.....	13
* INTERCELLULAR ADHESION MOLECULES:	20
- Families of adhesion molecules	21
- The structure of ICAM-1.....	28
- Cell adhesion molecules and vascular endothelium..	33
- Adhesion molecules in dermatoses.....	33
- ICAM-1 expression in inflammatory skin reactions..	34
- ICAM-1 expression in venous leg ulcer.....	37
Materials and methods	42
Results	47
Discussion	66
Conclusions	73
Summary	74
References	76
Arabic Summary
