Synopsis of the Research

This piece of research - entitled the poetry of Abi Firas Al Hamadany A textual study - adopts the tools of the textual approach in its analysis the researcher's analysis strikes a middle course between the orbitory out of the text elements and the stymied constituents of the inward fabric of the text.

This research is divided into four chapters the first is entitled Departure from the poetic formulas this is reflected in the contrasting relation between rhythm and meaning of the poem.

The second is phenomena of the textual formulation, which analyses a group of linguistic structures that convey some poetic connotations.

The third is changes in poetic Devices : This chapter tackles the mechanism of question - making which heightens tension in the poem.

The title of the last chapter is structure of certain poetic concepts : This chapter centers on the poet's selection of certain poetic devices that highlight given meanings in his poem.

In an attempt for in retextuality the researcher reads the war - related verse of the poet. Through it, the poet makes great efforts to realize rapprochement between the warring parties to overt the scourges of war.
