

# Acknowledgments

I would like to thank all those who have helped to make this dissertation a reality.

First, I want to express my deep gratitude to and appreciation for Professor Alan R. Katritzky, Kenan Professor of Chemistry, Department of Chemistry, University of Florida my advisory committee chair. His support has been essential for my success in finishing the doctoral training. His industrious spirit inspired my diligence. His achievements have been and will be an invaluable inspiration to me in pursuing my career.

Also, I would like to express my deep thanks and sincere appreciation to Prof. Dr. A. F. M. Fahmy, Professor of Organic Chemistry, Faculty of Science, Ain Shams University for his constructive criticism, constant encouragement and for making organic chemistry fun to learn. His achievements will be an invaluable inspiration to me in pursuing my career.

I also feel indebted to Prof. Dr. Samy A. Essway, Professor of Organic Chemistry, Faculty of Science, Benha University for his constant encouragement, generous time to listen to me and helpful participation.

My deep thanks to Prof. Dr. M. H. Arief Professor of Organic Chemistry, Faculty of Science, Benha University for his constructive criticism, continual support and encouragement.

Also, I would deeply like to thank Dr. S. A. Nassar Lecturer of Organic Chemistry, Faculty of Science, Benha University for her continual help.

I thank members of the Katritzky Group for their daily help and cooperation, especially Dr. Dmytro O. Tymoshenko who not only helped me a lot but also inspired me

to pursue excellence in chemistry. My sincere thanks to Dr. Sergei A. Belyakov with whom I started my research works at University of Florida.

Also, I really appreciate the help and encouragement to Prof. Dr. A. A. El-Sawy Professor of Organic Chemistry, Head of Chemistry Department, Faculty of Science, Benha University.

My deep thanks to Prof. Dr. M. A. Mousa, Professor of Physical and Inorganic Chemistry, Dean of Faculty of Science, Benha University.

Finally, I would like to thank all the faculty members of the Chemistry Department, Faculty of Science, Benha University for their moral support.
