General introduction	1
-----------------------------------	---

Part I

Upper Cretaceous Fossil Woods from Aswan Area

Introduction	8
The study area	9
Materials and Methods	11
Materials	11
Methods	11
Identification	16
Description	18
Affinities and discussion	22
Explanation of plates	27

Part II

Oligocene Fossil Woods from the Qattamiya

Petrified Forest East of Cairo

Introduction	32
Locality	33
Materials and Methods	35
Materials	35
Methods	35
Identification	37
Description	38

Affinities and discussion - - - - -	49
Explanation of plates - - - - -	62

Part III

Miocene Fossil Woods from West of Giza Pyramids

Introduction - - - - -	78
Locality - - - - -	79
Materials and Methods - - - - -	82
Materials - - - - -	82
Methods - - - - -	82
Identification - - - - -	83
Description - - - - -	85
Affinities and discussion - - - - -	96
Explanation of plates - - - - -	104
General discussion and Concluding Remarks	123
Summary - - - - -	132
Appendix 1 - - - - -	135
References - - - - -	141
Arabic Summary
