List of Figures	vii
I. Introduction	1
II. Literature Review	
1. Sand fly fauna of Egypt.....	5
2. Sand fly seasonal abundance	10
3. Influence of moon phases on insects.	22
4. Sand flies associations with different hosts.	31
5. Distribution of rodents in the Egyptian Delta and the Nile Valley.....	34
III. Materials and Methods	
1. Study area	37
1.1. Kafr Tahla village	37
1.2. El-Quantara El-Beida village	39
2. Collection of adult sand flies	39
2.1. Sticky paper traps	40
3. Identification of collected sand flies	42
4. Seasonal abundance and weather conditions	42
5. The effect of sticky paper traps placement on the number of sand flies collected.	43
6. The effect of lunar cycle and its phases on sand fly abundance.	45
7. Rodents collection	50

8. Statistical analysis of data	52
---------------------------------------	----

IV. Results

1. Sand fly species composition and seasonal abundance	53
1.1. Sand fly abundance in Kafr Tahla (Qalyubiya Governorate) ...	53
1.1.1. Outdoor collections of sand flies	53
1.1.2. Indoor collections of sand flies	59
1.2. Sand fly abundance in El-Quantara El-Beida (Kafr El-Sheikh Governorate)	61
1.2.1. Outdoor collections of sand flies	61
1.2.2. Indoor collections of sand flies	67
2. Density of the sand fly <i>Phlebotomus papatasi</i> collected by sticky paper traps at animal pens and rodent burrows	69
2.1. Kafr Tahla village	69
2.2. El-Quantara El-Beida village	69
3. The effect of sticky paper traps placement on the number of sand flies collected.	70
4. The effect of lunar cycle and its phases on sand fly abundance...	72
4.1. Kafr Tahla village	72
4.2. El-Quantara El-Beida village	73
5. Species composition and relative abundance of rodent species...	78
5.1. Kafr Tahla village	78
5.2. El-Quantara El-Beida village	79
V. Discussion	82
VI. Summary	99
VII. References	104
VIII. Arabic Summary	1
