evidence of grammatical, and prophetic, and poetry, and proved to the sources and references, and an index of the contents of the search

Conclusion :

and the imam of eloquent and rhetoricians, prayer and peace fill the earth and heaven, and God bless all his family and his companions Nagaba pious. And yet,,, Praise Allaah Almighty that helped me and pleased me complete this research, as such, Fbon of God Almighty, have completed the study: The grammatical direction for the koranic readings in the interpretation of ((Al Durr Al Masoon in the science of the preserved book)) by Al sameen Al Halaby . preparation . Collection and study . for Al sameen-Halabi collection and Taesela and study, The present study has offered guidance grammatical mentioned in guiding readings frequent and abnormal, by referring to the bulk of grammar books, readings, interpretation, and this effort eyeballs, and try hard-working strove to serve Quranic studies, and the Arabic language through readings and channeled, and the most important results reached through the schools in the Al sameen -Halabi instructions to the readings of the Qur'an in his book Al Durr Al Masoon , the following: A flourishing scientific movement and strength in the eighth century AH, a century that he lived in fat-Halabi.2 is a (Al Durr Al Masoon) a source of language, as well as being an explanation, because Hawwah of material for linguistic value; included the views of Al sameen -Halabi, and other Arab scientists.3 Follow the chaff in the handling of the directives of the grammatical readings approach the neutral world, without the intolerance of his doctrine of visual grammar, but it is noteworthy that there is great convergence between the two schools, visual and scarf.4 Chubby independence on Sheikha Abu Hayyan Andalusi in the interpretation of sources in Aldurro , and its method, and followed him in many of the citizen, and this is not incompatible with the adoption of the large number of Al sameen on his Almohent Sheikha of it.5 protest chubby frequent and abnormal readings, and defend all that God came to him from the knowledge and insight, and the measures the grammar rule to read and not vice versa, because the stronger reading of grammar rule.6 Chubby took care to study Quranic rhetoric, the science of the statement and the meanings and magnificent.7 readings as a source of rationing, and control rules, and

C

can not be judged by the decision of the grammarians of the house rules on the basis of an anonymous view, or a phrase uttered by an Arab in the desert.⁸ that the readings and frequent anomalies are a great source of protest language, grammar and martyrdom and the morphological, cited in establishiny rules and consolidate the issues, and attention is the study of interest in the book of God Almighty.⁹ readings inspired by a house of God, was not from the jurisprudence of the Messenger of Allah peace be upon him, and the different readings different diversity is not opposed to difference and contradiction.¹⁰ to the position of the Al sameen -Halabi fairest attitudes towards abnormal readings, it has been defended by, and respond to its critics, and to seek her guidance in all aspects: the syntactic, or morphological, or linguistic, or semantic.

In conclusion,,, I thank God who helped me to complete this research as such, even wrote to him the light, thanks to the guidance of my teachers valued benefit of God with them and knowledge of who paved to me the difficulties that I faced during the search, and revealed to me what Gamad me.
